

Lack of Talent Compromising Your Care?

What is a Talent Marketplace?

Medefis is a centralized, end-to-end portal enabling healthcare facilities to quickly staff and manage their entire range of contingent talent.

- No cost to healthcare facilities.
- Clinical and non-clinical talent needs are submitted through our open, competitive bidding marketplace, ensuring you always pay fair market rates.
- Our national network of over 900 suppliers submits interested, qualified, and available candidates, matched to your specific criteria.
- Hiring Managers review, select, offer and on-board desired talent, all in one interface.

How It Works

- 1 AGREEMENT**
Simple contracting process to save time
- 2 SET-UP**
Rapid implementation to get up and running quickly
- 3 JOB POSTING**
Client posts jobs in consultation with a dedicated Account Manager
- 4 CANDIDATE SUBMISSION**
Staffing agencies submit pre-screened, qualified candidates
- 5 SELECTION MADE**
Client selects the best option for their requirements at the best price
